

Protecting Grass Verges

North Lincolnshire Council implemented a traffic regulation in the villages of Scawby and Sturton that prevents people from parking on the grass verges.

The order restricts all parking on the highway verges and allows enforcement officers to issue Penalty Charge Notices to any vehicle parked partly or wholly on the verges.

The Penalty Charge Notice is £70 which can be reduced to £35 if paid within 14 days.

Any queries about this traffic order can be sent to traffic@northlincs.gov.uk or 01724 297000.
